Review Lesson - Ephesians 1-3

Ephesians chapters one through three reveal to us the awesome heart and intentions of God toward those who believe. Before we begin our study of chapters four through six, it would be helpful to review the first three chapters. We have not always had the status and privileges before God as we now have as His children. Refresh your memory and appreciation of what He has done for you by completing the following three columns. The verse references have been provided for you in parenthesis. Fill in the blanks. When you are finished, meditate on the awesome truths in these lists. We will not be writing the lists on the board during group discussion time, but rather, will be drawing discussion questions from this homework. May the Lord richly bless your study.

Challenge: See how many blanks you can fill in without using your Observation Worksheets.
