

## *ACTS - Living in the Promises of Jesus*

### **Acts 1-25**

### **Review**

This week we are going to take some time to review what we have learned. Our study of Acts has proved to be far from studying early church history. Rather, each week we have discovered truths and challenges that we can personally apply. Scan through as many chapters as time allows. Record some of the verses that have impacted you and share some of your thoughts by recording them in the sections below. Continue following the same format for other chapters in Acts. Use a separate sheet of paper if you run out of room. May the Lord bless you as you meditate on the ACTS of Jesus through His people.
