1 Thessalonians

Review

This week we are going to take some time to review what we have learned. We have discovered in so many ways that Paul's letter to the new believers in Thessalonica is a letter that we can personally glean much from. Scan through each of the five chapters of this letter. Record one verse from each chapter that has impacted you and share some of your thoughts by recording them in the sections below. May the Lord bless you as you review this letter. May you be refreshed and challenged and discover truths you may not have seen in your prior months of study.
