A study of the lives of Joseph, Jonah, and Job

Joseph - Genesis 42

Lesson 4

Genesis 42 takes place in the midst of a famine that covered the entire earth. Because of God's provision through the interpretation of Pharaoh's dream, Jacob sent his sons to Egypt for grain. The trip took an unexpected turn for Joseph's brothers as they unknowingly found themselves bowing before their brother, Joseph. That experience lead them to a gamut of emotions and false assumptions as they attempted to understand what was happening to them. May we learn from their mistakes.

OBSERVATION: Read Genesis 42
